Dear Fellow,

The First meeting in 2018 will be held at 8.00pm on Monday 8th January 2018 when Dr Alexander Lyon MA BM BCh PhD FRCP FHFA will deliver the Lloyd Roberts Lecture on

HEART FAILURE – WHAT DOES THE FUTURE HOLD?

Dr Alexander Lyon is a Senior Lecturer in Cardiology at Imperial College London and a Consultant Cardiologist at the Royal Brompton Hospital. Alex graduated in medicine at Oxford University and obtained his PhD at Imperial College on myocardial gene therapy. His clinical interests are in the field of heart failure, chemotherapy cardiomyopathy and the cardiovascular complications of cancer therapies, Takotsubo syndrome and novel therapeutics including gene therapy for chronic heart failure. Dr Lyon leads a research programme understanding the influence of stress and high catecholamine levels upon myocardial function and is coordinating both a national and European strategy to advance knowledge and improve care for individuals with Takotsubo syndrome.

This lecture will review the changing epidemiology of heart failure, the different treatments available for heart failure with reduced ejection fraction (HFrEF), and the challenges posed by heart failure with preserved ejection fraction (HFpEF), and a practical clinical approach. Future treatments will be presented and discussed.

There will be a Buffet Supper **at 6.45pm**. The cost of the evening, to include the lecture and supper will be **£34 per person**. If you wish to attend the supper, please send your cheque to reach the Registrar at the above address by **THURSDAY, 4th JANUARY 2018** accompanied by the attached slip or pay by Bacs and email to inform us you have done so. **Please note that orders cannot be accepted for suppers after 12 noon on the Friday before a Monday meeting.**
