The Medical Society of London Mansell Bequest Prize 2024 for Multiple Sclerosis Based Neuroscience Research

Submissions are invited for items to be included in the programme for the Mansell event on 10th June 2024 at **The Medical Society of London**, <https://medsoclondon.org>

Applicants should be clinical neuroscience trainees or recently appointed specialists. The short list will comprise up to 6 presentations lasting 20 mins, which must be comprehensible to a non-specialist medical audience. The first prize will be £1000 and there will be a further 5 prizes of £500. The selected presentations will be published in the Society's Transactions, and a typescript must be available no later than 30th June 2024.

Submissions, which should be supported by a head of department, should be from graduates from a British University and concern primarily MS research undertaken in Britain. The closing date for submissions will be **8th April 2024** following which, the best 6 submissions will be chosen for presentation to the Fellows of The Society and a panel of specialist judges on 10th June 2024. Candidates should confirm in their submissions their availability for personal attendance at the Society on **10th June 2024**.

The judging panel will include Professor Gavin Giovannoni who will also be the keynote speaker at the event

Initial registrations of interest should be sent to The Registrar as soon as possible, with contact details. Full details are available from The Medical Society of London, 11 Chandos Street, London W1G 9EB
